Dear Parents and Carers

Welcome to our July issue of Headlines and this month's value, **RESPONSIBILITY**. We aim to teach our children to be responsible citizens, doing their share, carrying out duties with integrity, accepting what is required and doing everything to the best of their ability. We all have a responsibility in school to behave well, have exemplary manners and show care and respect for others! Please talk to your children about their responsibilities at home—perhaps to care for a pet, keep their bedroom tidy and do their homework as well as possible. Thank you.

PUNCTUALITY—please ensure your children arrive on time and are in the playground before the bell rings at 8.55am. It is difficult to have the best, most positive start to the day if children are trickling in late!

WALK TO SCHOOL WEEK—very well done to all the parents and children who have made a real effort to walk to school, at least part of the way! It helps to ensure a healthy body, mind and environment and also keeps pedestrians safe as traffic is reduced. School is committed to ensuring safe access and travel to school so we will be continuing to monitor the two main entrance gates.

SUMMER WEATHER—a reminder to ensure children apply sun cream and bring a named hat to school if it is very hot. Children must wear proper uniform and appropriate footwear—no flip flops or backless sandals!

EXHIBITION EVENING—is on Thursday 9 July from 5pm until 8pm. Come along and collect your child's report, meet the staff, visit our art exhibition, meet the governors and listen to the choir. Our chef Andrej will be offering refreshments. We look forward to seeing you!

BEST ATTENDANCE THIS ACADEMIC YEAR—well done to **PEACOCK** class for their excellent attendance record this year. Being in school every single day really makes a difference to a child's learning and well-being.

Our new **GREENHOUSE** was officially opened on Wednesday 17 June by our green fingered Star Squad and Mrs Avery. Thank you to the children and parents who work so hard to maintain the allotments and grow wonderful vegetables for our school kitchen. Mrs Avery works with the Star Squad which is an eco-group flying the green flag for Coldfall and helping to make it an environmentally friendly place to learn. Children have done a whole school litter pick, made classroom posters and written a anti-littering rap to be performed in assembly. They have recently won a War on Waste award from Veolia and the youngest members of the group attended the award ceremony at Alexandra Palace.

All the lovely summer term events are coming up including Sports Day to which parents are warmly invited. Please look overleaf for dates and don't forget to put the **SUMMER FAIR** in your diary and come along for a wonderful family fun day on Saturday 11 July.

With best wishes,

Mrs EB Davies

DINNER MONEY and CLUBS

Unfortunately we have to increase the cost of dinner money to £2.30 per day per child from September.

Reception, Year 1 and Year 2 children will still receive a free lunch. The total cost for the first half term for Years 3, 4, 5 and 6 will be £82.80.

Please can you ensure that all outstanding amounts are settled before the end of term as debts cannot be carried forward.

Could parents of children in Breakfast or After School Club please also ensure that all accounts are settled. Any outstanding debts may result in

your child's place being withdrawn in September. We will give you further information about booking after school activity clubs as soon as we can. We envisage that online booking will be open from Monday 24 August until Sunday 6 September with clubs starting on Monday 7 September.
