1st September 2020

Dear Parents and Carers,

I would like to welcome you all to the new academic year at Coldfall. I hope that the summer holiday period has been a good one for you all and that you have been able to enjoy the very warm weather we have had.

At school we have been busy setting up the classrooms and putting in place all of the necessary preparations in order to ensure a safe and positive re-opening for all of the children next week.

As you will be aware the situation with regards to the Coronavirus is still precarious and it is incumbent upon us all to do our part to keep ourselves and others safe. I attach again the latest FAQs and Parent safety instructions as a reminder and would ask that you re-read these so that you and your children can be as well prepared as possible for a safe and happy return.

The drop off and collection times are particularly crucial when there will be many more people arriving at school. Please adhere strictly to your designated times and entrances, say goodbye to your child before you reach the entrance so that this can be as swift as possible, and then leave the premises quickly ensuring you keep a social distance from any other families. Dogs must not be brought along with you at these times.

I would like to reassure you that our aim is to make the learning time in school for the children as safe and happy as possible and all of the teachers are excited about the new term and welcoming their classes back. It will be lovely to see all of the children and indeed to meet our new nursery and reception children too.

Term begins on Monday 7th September for all Y1-6 children.

If you do have any queries or concerns at all, please email the school office.

With very best wishes to you all

Evelyn Davies
Head Teacher
