Dear Parents and Carers,

As we come out of lockdown and revert to being in Tier 2 it is vital that we continue to be extremely vigilant in the lead up to the Christmas holidays. I attach the Tier 2 poster which outlines clearly the restrictions for London.

Please note inviting children around for play dates, unless outdoors, could significantly increase transmission of the virus. We are asking all of our families to adhere to the Tier 2 requirements fully so as to minimise the risk of the school having to close any further classes or send staff home to isolate. We also want to ensure that none of our families or staff will be in a position where they are either required to isolate over the Christmas holiday period or become ill with the COVID 19 virus during this time.

I have today attended a meeting with Public Health who are stressing the urgent need to remain very vigilant as we head into the full winter season. This is the time when the NHS have the largest number of hospital admissions each year without the added pressure of the pandemic cases.

It is incumbent upon us all to play our part in keeping ourselves and each other safe.

Many thanks for your support.

With kind regards,
