January 2021

Dear Applicant,

Thank you very much for expressing an interest in our Head Teacher position for this April/September.

The post has arisen due to the forthcoming retirement of our current Head Teacher after 25 years of headship at Coldfall.

We recognise that this is a challenging time to be taking on a new headship, but will ensure that our new Head Teacher is well supported. The school has stringent Covid secure protocols which are fully embedded into the day to day running of the school.

Coldfall is a large 3FE multicultural school with a nursery in the London Borough of Haringey. The school has maintained outstanding status over many years and was accredited as a Teaching School in 2014. We have a long standing track record of recruiting and training graduates to become the very best teachers as well as providing support to other schools.

We have an innovative dynamic global curriculum which focusses on both academic education as well as pupils' personal and social development, and ensures pupils are prepared for the complexities of the future we face. We achieve high academic standards whilst also educating our pupils to become upstanding moral citizens, with strong values who can make a difference.

Pupils are offered an enhanced enrichment programme, which includes Chess, Eco learning and Forest School sessions. Coldfall Woods, from which our name is derived, surround our grounds at the back of the school. We hope to resume our full extended day and extra curricular offer as soon as we are able to once the pandemic restrictions are lifted.

We have a strong commitment to equalities, diversity and inclusion underpinned by the teaching of values, so our pupils learn about a wide range of cultures and beliefs.

The school has a strong, capable and dedicated Senior Leadership Team and Governing Body who constantly seek to improve and develop the school. We have robust financial management systems in place, however the budget is currently very constrained and our aim is to re-create the income streams we have had prior to Covid19 as soon as we are able to.

We are part of Haringey Council and work closely with Haringey Education Partnership (HEP) who support our school improvement and governor training.

We are now looking for a Head Teacher with a proven track record who is committed to our values, has passion, vision and dedication and can provide strong leadership.

If you would like to visit the school please email the school office (office@coldfall.haringey.sch.uk) and arrange a mutually convenient time with Laggi Efthymiou, our SBM, or if you wish to have a further discussion about the role, please email me on: Laura_butterfield@icloud.com

Please read the accompanying information carefully so that you are fully aware of the application process and timescale.

I very much look forward to receiving your application,

Yours sincerely,

Laura Butterfield,
Chair of Governors
