Keyworker Children

Dear Parents and Carers,

Under the new area contingency plans for London, your child will be able to attend school from Monday 4th January as you have been identified as a keyworker. We do however ask that given the very high rates of transmission in our area, that if you are a 2 parent family and one of you is not a keyworker and is available to look after your children, that you keep them at home and participate in the school's remote learning programme. It is essential that we do all we can to reduce transmission rates at this time.

Please note the following information:

- The school day will be from 9.00am to 3.30pm Monday to Friday for all children to allow siblings to arrive and leave at the same time.
- Children will be taught in year group bubbles, which will have approximately 10-15 children in each.
- Year groups should stick to the current arrangements for access i.e Nursery, Reception, Year 2 and Year 4 using the Everington Road entrance; and Year 1, Year 3, Year 5 & Year 6 using the Coldfall Avenue entrance.
- If your child is unwell in any way at all they must remain at home until at least 24 hours after they are better, and 48 hours after any vomiting or diarrhoea.
- If your child has had contact with anyone who has received a positive Covid-19 case, we would ask you to have them tested, even if they are not presenting with symptoms, as we know many children are asymptomatic. If your child does present with any of the 3 main Covid-19 symptoms please arrange for a test as soon as possible. Please do not delay assuming it may not be Covid-19.

- Any positive test results must be **immediately** reported to the school so that we can take the appropriate actions as swiftly as possible. Keyworker groups with a positive case will be shut immediately for the 10-day isolation period.
- Please be ready to access the school's remote learning offer via Tapestry or Google Classroom should your child's keyworker group have to close.
- Children may not bring any items into school apart from absolute essentials - their packed lunch (unless having a school packed lunch as these will continue to be provided as previous), water bottle and outdoor coats. There will be no reading books sent home this half term.
- Please adhere strictly to the safety protocols at drop-off and collection times and do not engage teachers in conversation. If you have an important matter to share, please email the school. Face masks must be worn at all times and parents and carers must keep a proper social distance from all other adults and children. Please do not wait around outside of the school gates and leave the area quickly.
- There will be no after school clubs

Thank you for your support in ensuring our keyworker children can continue to have a safe and happy time in school.

With very best wishes,

Yours sincerely,

A handwritten signature in cursive script that reads "Evelyn Davies".
